

**At Southern Landscape Group we are passionate about bringing the beauty of nature to your doorstep!**

## Container Gardens

From choosing the perfect container that fits your space to creating beautiful designs for up to four seasons, we've got you covered! Container gardens are the perfect addition to any outdoor space & with added drip irrigation they are a breeze to care for.

## Floral Bedding

This is a great way to add a pop of color to your landscape beds that will last for months! Spring installations that last through summer and fall installations that will last into spring.

## Bulbs

Enhance your landscape beds with fall planted bulbs to offer a sweet surprise come spring!

## Maintenance Options

Let us take care of the dirty work by customizing a maintenance package to fit your needs! From pruning to supplemental watering and fertilization, we have you covered.
