It's no secret that Lynchburg is full of **history and breathtaking views**. If you take some time to see the real beauty of our city, you'll quickly realize why so many people have chosen to call Lynchburg "home" and why so many people have such a hard time leaving.

The City of Lynchburg was voted the number one place for millennials to live in

2019. The City of Seven Hills is surrounded by the Blue Ridge Mountains, which makes for great hiking, hunting, off-road motor sports, and camping. The James River runs through our city and offers a myriad of water sports and fishing. Cultural connoisseurs have an abundance of concerts, theatre, and fine art from which to choose. There is something for everyone! Combined with a low unemployment rate and a low cost of living, you'll find yourself in one of the best places for millennials to live (reviews.org).

The Young Professionals of Central Virginia reported that the Lynchburg region ranks **12% below the national average for cost of living**. The median rent is \$777 per month and the average mortgage is \$1,100 per month.

Central Virginia is a great place to explore the great outdoors!
