If so, we are interested in talking to you! Our team of landscape professionals is seeking like-minded, passionate, quality-driven individuals to join our sales team. Jump aboard now to kickstart your training and personal development at Southern Landscape Group. We have an excellent career path we can share with you to grow your skills, your pay, and your leadership abilities. Our current openings include:

Design/Build Landscape Sales Professional

The ideal candidate is an experienced landscape sales professional with documented and proven success. This person should have a distinct ability and passion to understand clients' needs and deliver solutions that meet those needs while keeping a client-centric focus. This person spends the majority of their time meeting with clients to develop relationships and deliver solutions for outdoor living needs. They will also be responsible for contract administration including, but not limited to: design concepts, estimating, contracts, billing, change orders, completion certificates. This is a salary + bonus compensation structure with unlimited earning potential.

For over 19 years, Southern Landscape Group has been constructing and maintaining the most exquisite outdoor living spaces in the area. Our team of experts is truly passionate about their work and enhancing our clients lives. Southern Landscape Group is incredibly well-equipped with state-of-the-art equipment, tools and vehicles to help build our projects. Furthermore, we offer year-round employment and an incredibly safety-conscious work environment. Quite simply put, we hire only the best and most talented individuals that have a true passion for their work and our clients!
